

FOLKLORE & FLORA

Exotic Kingfishers Wallpaper

Exotic Kingfishers is inspired by the colourful Oriental Dwarf Kingfisher resident of the Indian subcontinent and Southeast Asia; making this vibrant wallpaper transports you into an exotic jungle experience with its flowing leaves and flowers. The kingfisher is a symbol of peace & abundance. In the folklore tradition, seeing a kingfisher is a promise for prosperity & love to wash over your life.

A little friendly kingfisher often sits on the line next to Catherine's house and seems to look over her with its serene presence. Since seeing kingfishers is a sign of good omen, Catherine is always very pleased to see her little friend on the line inspiring this wallpaper.
