LAZYBONES

Euphemia 3 Wallpaper

We love the boho chic style and this eclectic floral wallpaper hits that mark perfectly. Ideal for a hallway or foyer, create a playful mix of eclectic and bohemian design. Filled with vibrant colours and mid-century furniture, a space like this won’t go unnoticed and it’s a great way to welcome your guests with its personalised atmosphere.

The Royal Botanic Gardens Melbourne invited lazybones to produce an exclusive collection based on material from their archives. After much research they decided to concentrate on the flower painter, Euphemia Henderson (1822-1908). Euphemia had a passion for our native Australian flora. Inspired by this lazybones used her beautiful works as springboards for our new wallpaper designs. Royalties from this range will go to the Royal Botanic Gardens Melbourne.

SUSTAINABILITY

- Made to order within 5–7 days using the latest eco-friendly printing tech. That means no over-production and waste like regular wallpaper brands.
- Our PVC Free wallpaper base is sourced from sustainably managed forests.
- We print all wallpapers using odorless water-based ink. GREENGUARD GOLD Certified to standards for low chemical emissions into indoor air.
- Milton & King’s wallpapers are of the highest quality, are environmentally friendly, and totally 100% vinyl-free.

ADDITIONAL INFO

At Milton & King we have a huge range of designer wallpapers for you to choose from whether you're decorating your living room, bedroom, bathroom or commercial space we will have a wallpaper to suit your style.

Non-woven wallpaper advantages
The most user-friendly wallpaper on the market.

- Sourced from FSC Certified Forests and printed with water-based ink. Non-wovens are earth friendly, and totally 100% vinyl-free.
- Breathable – These high quality wallpapers are breathable, helping them endure mould and mildew conditions. Thus, perfect to decorate bathrooms, kitchens and laundries (direct contact with water is not recommended).
- Paste-The-Wall – Made from both natural and non-porous synthetic fibres. These non-woven wallpapers will not absorb moisture from the adhesive. Simply apply the paste directly to the wall. The paper will not expand or contract with no booking time required.
- The wallpaper rolls are finished precisely to have no overlap. Meaning the panels simply butt up to each other for ease of installation.
- Spongeable – Dirt, dust, and other marks can be cleaned with a slightly damp sponge (do not use any solvents)
- Durable – Milton & King's easy to install wallpapers are also heard wearing and tear-resistant. This is a great advantage as the wallpapers will not get torn during installation or removal.
- Easy to Remove – Once completely dry, non-woven wallpapers will come off easily. It should come down in full sheets with no need for the dreaded steamer or water. Without causing any damage to the walls upon their removal
- Roll Size – 24" wide x 33' long. Our rolls are the equivalent to a US double roll providing 65 square feet per roll.
