

DIANE BERGERON

Nantucket Decorative Textile Wallpaper

Nantucket evokes the effortless charm of summers spent by the sea. This hand-painted stripe pays homage to its namesake, capturing the relaxed sophistication of coastal living. The design's painterly texture makes it ideal for both modern and traditional spaces from light-filled kitchens and butler's pantries to serene bedrooms and bathrooms.

SUSTAINABILITY

- **Cellulose-Based Construction:** This wallcovering is made with a cellulose fiber substrate (40–70%), a renewable and plant-derived material that supports more sustainable sourcing practices compared to purely synthetic alternatives.
- **Low VOC Composition:** The product includes acrylic latex and processing agents, and it meets flame resistance standards including ASTM E 84 Class A. While not specifically labeled as low-VOC, acrylic-saturated papers are typically compatible with low-emission adhesives and coatings, supporting better indoor air quality when installed with water-based systems.
- **No PVC Content:** This wallpaper does not list any use of polyvinyl chloride (PVC), a material commonly found in traditional vinyl wallcoverings. The absence of PVC helps reduce reliance on harmful synthetic materials and lowers environmental toxicity during manufacturing and disposal.
- **Lightweight and Durable:** At 166 g/m², this wallcovering offers a balance between durability and efficient use of raw materials. Its composition allows it to meet demanding flame, chemical, and lightfastness standards, extending product lifespan and reducing the need for frequent replacements.
- **Cleanability and Maintenance:** Designed to be washable with a soft sponge or vacuum, it minimizes the need for harsh cleaning chemicals that can harm indoor air quality and the environment.

- **Note:** Samples of this wallcovering are provided for review of the material, pattern scale and print technique – they are not intended to be used for color matching purposes. There can be slight shifts in color between runs, so your wallcovering may vary slightly from sample colouring.
